Call for Participation

We invite you to join us in 2nd International conference on Integrating Technology in Education (ITE 2021)

This conference aims to provide a platform for exchanging ideas in new emerging trends that need more focus and exposure and will attempt to publish proposals that strengthen our goals. Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the areas of Integrating Technology in Education.

Highlights of ITE 2021 include:

- 9th International Conference on Artificial Intelligence, Soft Computing (AISC 2021)
- 9th International Conference on Signal, Image Processing and Pattern Recognition (SIPP 2021)
- 10th International Conference on Parallel, Distributed Computing Technologies and Applications (PDCTA 2021)
- 6th International Conference on Software Engineering (SOEN 2021)
- 6th International Conference on Networks, Communications, Wireless and Mobile Computing (NCWMC 2021)
- 6th International Conference on Data Mining & Knowledge Management (DaKM 2021)
- 11th International Conference on Computer Science and Information Technology (CCSIT 2021)
